Dear \_\_\_\_\_:

The Philippine Association of Academic/Research Librarians, Inc. (PAARL) will be holding the 2020 Summer Conference with the theme “**Better Together, Building Partnerships and Collaborations**”, on 28-30 April 2020 at La Carmela De Boracay Hotel, Station 2, Barangay Balabag, Boracay Island, Aklan.

The conference aims to support the Libraries = Strong Communities initiative highlighting the valuable role of libraries, librarians, and information professionals as key players for building partnership and collaboration among academic and research libraries and the communities. The campaign illustrates how today’s libraries are at the heart of the cities, towns, schools, and campuses. They were providing critical resources, programs, and expertise where all community members, regardless of age, culture, or income level, can come together to connect, learn, and work together using new technologies. Aside from proposals, we have guest resource speakers who would shed light on this topic for the benefit of the librarian-participants.

In view of this, the undersigned is pleased to invite your librarian/s to attend this conference. CPD Points and CHED endorsement are being processed.

The conference fees are broken down as follows:
